Kaleden Community Association

Attn: Tom Siddon

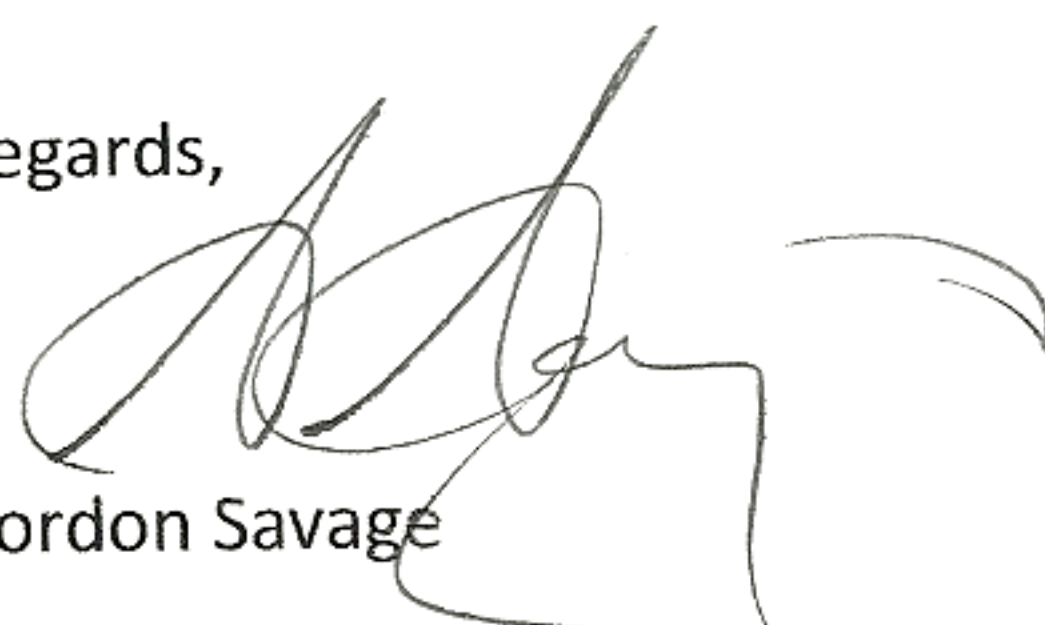

Dear Tom,

Thank you for contacting the Central Okanagan Land Trust through our board Secretary, Kurt Zander. Our board of Directors met on Wednesday Feb. 24 and the issue of the Sickie Point acquisition and conservation initiative was added to our agenda for discussion.

Our board recognizes the importance of securing this wetland on the Skaha Lake foreshore for its conservation value. This project aligns with all that we are continuing to accomplish in protecting natural areas of wetlands, forests and grasslands here in the Central Okanagan. Currently we have a number of properties that we are in the process of working with the owners and the governing authorities to procure by various means. Given our limited financial resources we are not in a position to contribute additional funding to your project.

The Central Okanagan Land Trust fully supports your efforts to secure the Sickie Point property for conservation purposes. We wish you all the best in succeeding with this goal.

Regards,

Gordon Savage

President

Central Okanagan Land Trust
